I sent them to Steve Chester. He's on a plane right now, so we won't hear back until later tonight probably.

Hi Erin:

Please run the attached (internal) Qs & As prepared for the Administrator's appearance before House SST on June 28th. OECA was asked to propose Qs & As on topics 7 (regional fracking issues) and 22 (enforcement policies on fracking). These have been cleared through the Office Directors.

Thanks,
Loan

Subject: FYI: June 28 House Science, Space and Technology Hearing

We have been asked to prepare Qs and As on the matters below related to fracking for a June 28 House Science, Space and Technology hearing. The Administrator will testify. Our office is coordinating the Qs and As with the relevant OECA offices and I will provide them to you next week for your review and comment. .

Qs and As requested by OCIR:

(7) Regional fracking: Pavilion(R8), Dimock (R3), and Range (R6) -- ORD and the identified regional congressional offices are leads on these issues, **but to the extent there are enforcement concerns related to these regional fracking**

activities, please provide a Q/A for each. Please coordinate review of the Q/A w/ your regional counterparts as necessary.

(22) Enforcement Policies re: fracking.
